Rodolfo Carvalho

What is a Coding Dojo?

- * Deliberate practice
- * Safe environment
 - * Non-competitive
 - * Collaborative
 - * Inclusive
- * Share knowledge
- * TDD, pair programming, baby steps & more
- * Fun

Format: randori

+ TDD

Format: randori

- * Pair programming: code & think loudly
- * Time-boxed turns of 5 min
- * Interrupt at any time if you have a doubt
- * Comments & suggestions only on **GREEN**
- * Silence on **RED**

Quick rules

write a test that fails

make the test pass

refactor

Schedule

- * 18:45 intro
- * 19:00 coding
- * 20:30 retrospective & networking

Problem
